**AGENDA**

**Public Utilities, Road & Bridge Committee Meeting**

**5:30 p.m. February 15, 2018 at City Hall**

**Meeting Notes**

- Approval of January 18, 2018 meeting notes

**Road Maintenance**

- Street mapping and condition assessment in progress
- Total Patching:
  1. Highway Maintenance- agreed to correct failures on St. Clair Dr. (see attached letter)
  2. For additional work this spring, Highway Maintenance agreed to hold last year's pricing and also include roller work (roller previously furnished & operated by city DPS).
  3. Consider authorization, council approved budget of \$35,000
- Discuss curb installation on northbound side of Main Street from Green to Rose- \$150k
- Taylor Street improvements- review PCE preliminary plan & pricing. Review type of improvement, need, cost sharing, etc.

**Sidewalks**

- Review current sidewalk ordinance
- Consider updates to clearly define repairs, responsibilities and procedures.
- Annual sidewalk inspection/project should be initiated early in the season to allow residences adequate time to repair.

**Other Updates:**

- 24 Mile Sanitary Pump Station-mud problem, scanning, line inspection
- Gravity Belt Thickener Building- Plans complete, pending MDEQ permit prior to bidding
- Water Plant & City Hall Roof Inspection –pending favorable weather conditions
- Murdick & Walpole Water Main Replacement- Contract awarded to Murray Underground-work to start in spring
- Water rates- ordinance language, cost of living increase, capital charges, tap fees, contractors to do taps (instead of DPS)

**Next Meeting- March 15, 2018, 5:30 p.m. at City Hall**
