NEW RECYCLING BINS - PUT MORE IN THE BIN!

Waste Management will be delivering the new **64 gallon recycling bins** the week of September 4, 2013. There is no charge to the residents for this cart. Please use it in place of the smaller recycling bin which will no longer be utilized for recycling. A flyer will be placed inside new cart providing you details regarding refuse removal, yard waste and recycling program in the City of New Baltimore.

Please feel free to contact the City Offices 586-725-2151 or Waste Management with any questions/concerns at 1-800-796-9696.
