City of New Baltimore Historic District Commission

Application Requirements - The Historic District Commission reserves the right to request additional information on a case by case basis.

General Work (Doors, Windows, Roofs, Siding, Porches, Garage Doors) \$50.00 Historic application fee

- Completed City of New Baltimore HDC Application for Work;
- Completed City of New Baltimore Application for Zoning Compliance Permit (for Roofs or Siding);
- A copy of the contract or work write up that gives a detailed description of all the work proposed;
- A written description giving the location and condition of the existing elements to be replaced, (for example: the front door is not original to the house and is in bad condition; or the second floor windows on the south side are wood and have broken sash rails, and the sills are broken and rotted through to the underside); and
- A brochure showing the configuration, materials and size of the new replacements (doors, windows, siding, etc).

Fencing/Walls (including driveways, patios, and landscaping) \$50.00 Historic application fee

- Completed City of New Baltimore HDC Application for Work;
- Completed applicable City of New Baltimore Application for Zoning Compliance Permit for Fence/Wall/Screening Wall or At-Grade Concrete/Pavers;
- Dimensioned site plan showing property and exactly where the fence wall, driveway or patio will be installed or removed, or where other landscaping will be installed or removed such as trees, hedges, etc.; and
- Brochures or drawings showing overall look, materials, and sizes of ALL materials/plants to be used.

Sign Installation \$100.00 Historic application fee

- Completed City of New Baltimore HDC Application for Work;
- Completed City of New Baltimore Application for Building Permit for Signs;
- Dimensioned drawing showing exactly what the sign will look like including text, materials, & lighting; and
- In cases where the sign will be attached the building provide a photo mock-up or elevation drawing.

New Construction/Additions (including decks & garages) \$200.00 Historic Application Fee

- Completed City of New Baltimore HDC Application for Work;
- Completed applicable City of New Baltimore Application for Building Permit (Decks, or Garage/Accessory Buildings);
- Site plan (plot plan) showing setbacks and grade elevations sealed by a certified engineer or surveyor;
- Dimensioned drawings for floor plans and elevations, all elevations must be shown; and
- Brochures showing all materials to be used in the project.

Demolition (including partial demolition) \$500.00 Historic Application Fee

- Completed City of New Baltimore HDC Application for Work;
- Completed City of New Baltimore Application for Zoning Compliance for Razing;
- A detailed, written description of why the demolition is being proposed, and the condition of the structure. (Review of the property by a structural engineer or preservation architect may be required by the Commission at the applicant's expense.);
- A detailed, written description of what is proposed after the demolition is completed. In cases of new construction the applicant must include the information required for a New Construction application above; and
- In cases of partial demolition, include an elevation drawing showing the building and surface treatments to newly exposed walls.
