The New Baltimore Parks & Recreation Department is taking the following action regarding the unloading and loading of personal vehicles, catering vehicles, and/or party rental vehicles at Walter & Mary Burke Park.

Patrons whom have rented either the indoor or outdoor pavilion structure at Walter & Mary Burke Park have permission to unload and load heavy equipment (ex: bbq grill, music/PA system, catering equipment, inflatables, etc.) by entering the park with their vehicle through the chained entrance nearest the lakefront. The chained entrance will remain locked at all times, unless a staff member from the City of New Baltimore (facility attendant, staff member, police cadet, or lifeguard) unlocks the chain and escorts the driver to their unloading/loading area. Once the vehicle has been unloaded/loaded, the vehicle must be parked in a designated parking space.

Parking along the service drive between Walter & Mary Burke Park and the New Baltimore Water Plant is prohibited.

Extended parking of vehicles in Walter & Mary Burke Park is only allowed with the permission of the Parks & Recreation Director or the approval of a Special Event Permit through the City of New Baltimore.

In the occurrence of a special event which requires vehicular parking in Walter & Mary Burke Park, the Parks & Recreation Department will inform the New Baltimore Police Department (NBPD) in advance of the special allowance. The NBPD also receives a copy of the special event permit from the City Clerk's office.
